13. LIBRARY

Our library has a rich collection of over 4998 books, complemented by magazines, periodicals, newspapers, and engaging informative reads.

14. PTA

We are benefitted with a vibrant Parent-Teacher Association (PTA), a collaborative partnership that brings together parents and teachers to harbour holistic development

and well-being of our students. Through active engagement, our supportive PTA facilitates Open House Meetings every second Saturday, providing a vital forum for parents and teachers to assess student progress.

15. VISION FOR THE FUTURE

The future is not something we wait for; it is something we consciously create through purposeful action today.

Guided by clarity of thought and strength of purpose in the present, the Management remains steadfast in shaping a future rich with opportunity and excellence. With this vision, the institution continues to design and implement transformative initiatives that propel it toward greater milestones.

We are pleased to share that the Management has taken a landmark step by applying for the affiliation of a New Sainik School at our parent institution, N.V.K.S. Senior Secondary School. This initiative of the Central Government aims to establish one hundred Sainik Schools across the nation. In this regard, an inspection committee comprising the nominee of the District Collector, the Principal of Sainik School, Amaravathi, and the Principal of Kendriya Vidyalaya conducted a comprehensive visit to the campus on 27th November 2025. We now await the formal approval from the Sainik Schools Society.

Further strengthening our academic horizon, the Management has initiated steps to upgrade the school to the Senior Secondary level in the near future.

Responding proactively to the growing educational needs of the region, the Management has planned the establishment of a Branch School of N.V.K.S. Vidyalaya, a milestone we look forward to realising in the near future.

To enhance academic standards and empower educators, a range of faculty development programmes, workshops, and professional training initiatives will be

conducted in collaboration with reputed national and international organisations in the coming year.

Through these forward-looking endeavours, the institution reaffirms its commitment in nurturing confident minds, competent learners, and compassionate citizens prepared to serve the nation with integrity and vision.
